+919346190379 | dirisalaajay@gmail.com

Objective

Motivated Cyber Security student (3rd year) with hands-on knowledge in ethical hacking, system protection, and risk assessment. Passionate about building secure digital environments and pursuing a career in cyber

Education

- sri Chaitanya junior college** 2023
Higher Secondary School
86%
- MAHENDRA ENGINEERING COLLEGE** 2023-2027
B.E CYBER SECURITY
7.4

Skills

- python
- java

Projects

- Coffee Price Calculator**
Developed a Python-based Coffee Price Calculator that dynamically computes the total cost of coffee orders based on size, quantity, and optional add-ons (like milk type, sugar level, and flavor syrups). The program uses conditional logic, user input handling, and formatted output to provide a clean and user-friendly billing experience.

Achievements & Awards
